

GDPR

GDPR governance & DPO dashboard

Corporater offers an all-in-one actionable dashboard solution that gives your Data Protection Officer complete oversight into your compliance activities related to GDPR.

Corporater clearly maps roles and responsibilities, increases awareness of data protection requirements, highlights deficiencies and areas needing improvement, and can reduce overall organizational risks related to your data handling activities.

Corporater GDPR integrates with your existing systems to provide a complete overview of all your data protection activities:

- Implement GDPR projects and activities
- Monitor GDPR metrics
- Audit GDPR articles

GDPR: Data Protection Officer dashboard

Corporater is a global software company that empowers organizations to evaluate, manage, and continually improve business performance by providing a business management platform that adapts to a client's unique business model, out of the box.
