

# **Portfolio Management** **SOFTWARE**

Insight Driven Project Management  
for Business Users

## Complete Portfolio Management Software

Corporater Portfolio Management is a software solution that helps you effectively manage projects. We provide full visibility, from planning and prioritization, through execution and delivery of your activities and milestones.

We also manage your projects through stage gates, monitor project risks, and create rich visualizations and reports. If you need additional process support, you can easily configure contractor evaluations, project meetings, or other supporting activities.

Corporater is listed in the Gartner Magic Quadrant for Strategic Corporate Performance Management. The Corporater Business Management Platform combines analytics, planning, and execution to deliver business outcomes.

### Key Area Supported

- Portfolios
- Project management
- Project risk management
- Project and task statuses
- Collaboration
- Both quantitative and qualitative data roll-ups
- Value drivers
- Gantt and progress charts
- Connecting projects with metrics
- Automatic notifications
- Built-in project tracking
- Unlimited departments
- Filtering of project status
- Monitoring budgets

**IMMERSIVE INSIGHTS**

Deliver informative insights to help them execute projects, and make proactive, data driven decisions.

**EXECUTE AND DELIVER**

Provide managers with the tools to set up projects, milestones, sub-tasks and additional details. Assign accountability, upload attachments, monitor results, update data and add team members.

**INFORM STAKEHOLDERS**

Keep your stakeholders informed with automated, pixel perfect reports.

Reports seamlessly collect and distribute portfolio data. Reports can be scheduled, shared, emailed or published where and when you need them.

**PLANNING AND PRIORITIZATION**

Make the most of your resources, time, and availability through effective planning and prioritization.

Easily set up your own prioritization framework, and establish projects, plans and activities.

Corporater is a global software company that empowers organizations to evaluate, manage, and continually improve business performance by providing a business management platform that adapts to a client's unique business model, out of the box.
