CORPORATER

SOLUTION BRIEF

# Corporate Dashboards & Data Automation

## Achieve complete oversight of your GRC and business performance with Corporater Corporate Dashboards & Data Automation solution.

Empower your organization to unify data from multiple sources into a single source of truth, automate data flows, and visualize key performance metrics. Leverage custom dashboards to drive data-driven decisions that align with your strategic goals.

### Solution Highlights

- **Custom Dashboards:** Create personalized dashboards for individuals, departments, or executive teams to monitor the data that matters most
- **Data Visualization:** Choose from various visualizations, such as tables, charts, graphs, and heat maps, to display KPIs and key business metrics effectively
- **Automated Data Integration:** Aggregate and automate data flows from multiple sources into a single source of truth
- **Performance & Risk Monitoring:** Track performance and risk levels, and link them to your strategic goals
- **Comprehensive Reporting:** Generate detailed reports with customizable formats, allowing stakeholders to access the information they need to make informed decisions

**Corporater is recognized by Gartner®**
in Gartner Magic Quadrant for Strategic Corporate Performance Management (CPM)

### Why Top Organizations Choose Corporater

**Trusted Technology**
For over 20 years, Corporater has been delivering business management solutions to organizations worldwide.

**Comprehensive GPRC**
Centralize your GRC and Performance efforts with a unified platform, ensuring comprehensive governance.

**Flexible Configuration**
Easily tailor your solution to meet your evolving objectives and business requirements.

**Rapid Time-to-Value**
Achieve your business objectives faster with seamless integration and rapid deployment.

**Scalable Across the Enterprise**
Corporater solutions scale effortlessly from mid- to global enterprises, supporting your growth at every stage.

**Industry-Leading Security**
Corporater is VL5 Veracode Verified and adheres to the highest data security standards.

**User-Centric Design**
Corporater's intuitive, user-friendly interface is designed for easy adoption across all levels of your organization.

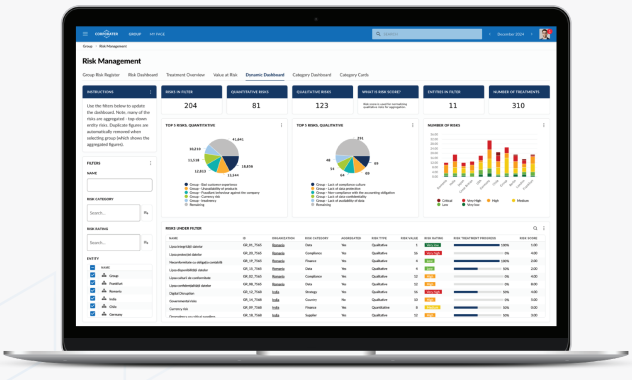

**Recognized by Top Analysts**
Corporater is recognized by top analysts including Gartner, Wheelhouse Advisors, GRC 20/20, and Verdantix.

# Corporater Corporate Dashboards

## CxO Dashboards

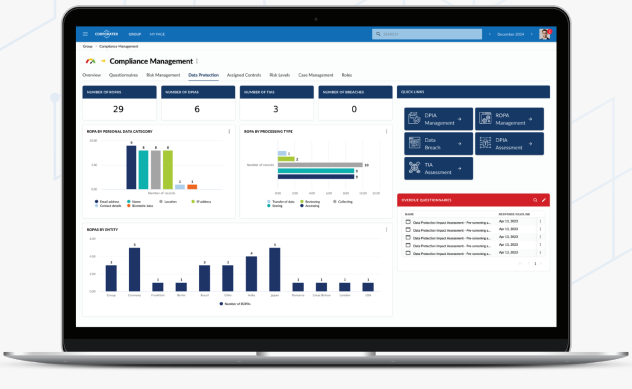

- Have a top-level overview of key business metrics and performance indicators
- Customize dashboards for CEO, CFO, CRO, CIO, and other executives to track relevant KPIs, KRIs, and other metrics
- Drill down into specific projects, departments, and initiatives for detailed insights
- Visualize financial performance, operational efficiency, and strategic goal alignment

## Risk Management Dashboards

- Continuously monitor key risk indicators (KRIs) across departments and business units
- Aggregate data from multiple sources to assess risk exposure and impact
- Automate risk assessments and generate real-time alerts for emerging threats
- Link risk management activities to corporate strategy for holistic oversight
- Track mitigation efforts and evaluate the effectiveness of risk control measures

All Corporater solutions can be used independently or seamlessly integrated into a custom GRC or GPRC system.

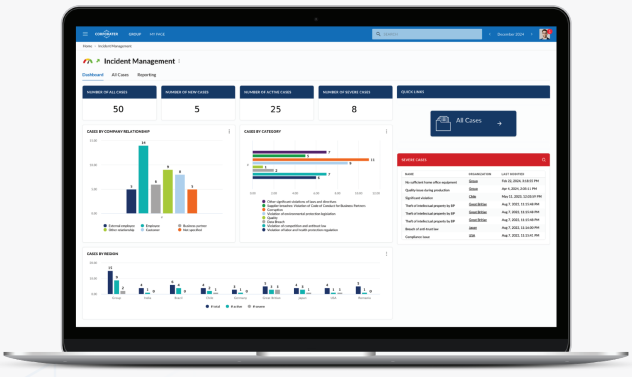

## Compliance Management Dashboards

- Monitor compliance status across various regulatory frameworks and standards
- Track policy adherence and performance of compliance initiatives by individuals or teams
- Automate audit trails and maintain records for regulatory reporting and inspections
- Visualize gaps in compliance and initiate corrective actions as needed
- Consolidate all compliance data into a single view for easy access and management

## Internal Audit Dashboards

- Provide a complete overview of audit activities, findings, and recommendations
- Track the adequacy and effectiveness of internal controls across business processes
- Automate the scheduling, tracking, and reporting of audit tasks and workflows
- Visualize audit results and assign follow-up actions to responsible teams
- Ensure compliance with internal policies, regulations, and industry standards

## Incident Management Dashboards

- Track incident status, root cause analysis, and resolution timelines
- Automate incident reporting and escalation workflows to ensure timely responses
- Visualize trends in incidents across different business units or departments
- Monitor the effectiveness of corrective actions and ongoing preventive measures
- Integrate incident data with risk and compliance management to assess business impact

## ESG Dashboards

- Monitor environmental, social, and governance (ESG) initiatives and their alignment with business goals
- Track progress on corporate social responsibility (CSR) projects and sustainability metrics
- Visualize ESG performance data, such as carbon footprint, employee satisfaction, and ethical conduct
- Aggregate data from various sources and generate detailed reports for stakeholders on ESG outcomes and improvements

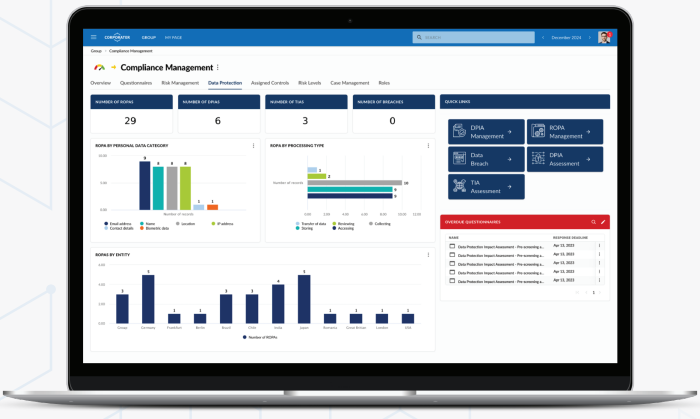

Corporater solutions are designed with an intuitive user interface, making it easy for users to quickly access the information they need, complete tasks, and generate reports.

## Solution Features
