CORPORATER

SOLUTION BRIEF

Information Security Management

Achieve comprehensive information security management with Corporater Information Security Management solution.

Designed to protect your organization from cyber threats, data breaches, and unauthorized access, this solution provides a robust framework for managing information security policies and procedures. With Corporater, you can effectively govern, control, and continuously improve your information security strategy in compliance with international standards like ISO 27001.

Solution Highlights

- **Implement integrated Information Security Management:** Develop and maintain an ISMS based on ISO 27001 to effectively manage information security policies and controls
- **Operationalize ISMS programs:** Integrate functionalities such as internal audits, incident management, risk management, and regulatory compliance management to fulfill ISMS requirements
- **Align with security frameworks:** Ensure compliance with multiple security frameworks, including NIST, COBIT, and HITRUST CSF, to maintain alignment with business objectives and regulatory requirements

Corporater is recognized by Verdantix
in Verdantix Green Quadrant: GRC Software 2025

Why Top Organizations Choose Corporater

Trusted Technology
For over 20 years, Corporater has been delivering business management solutions to organizations worldwide.
