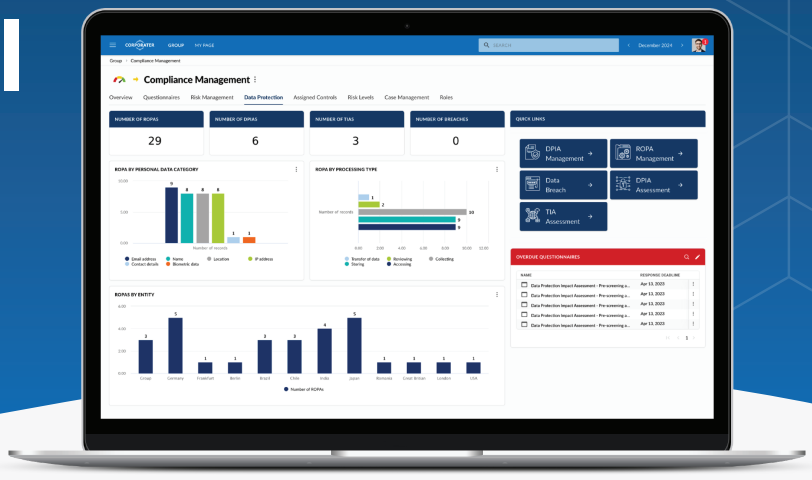
CORPORATER

SOLUTION BRIEF

Organizational Compliance Management



Achieve robust compliance and mitigate risks with Corporater Organizational Compliance Management software.

Streamline your organization's compliance processes, ensure adherence to regulations, and protect your business from potential threats. Our comprehensive solution is designed to simplify compliance management, offering real-time insights and enhancing decision-making across all levels of your organization.

Solution Highlights

- **Manage compliance centrally:** Oversee all compliance activities through a single system that provides a comprehensive view of your compliance status
- **Implement a risk-based approach:** Focus your compliance efforts on high-risk areas with impact analysis
- **Automate policy management:** Streamline the creation, distribution, and attestation of policies
- **Respond swiftly to incidents:** Handle compliance incidents efficiently with dedicated incident management tools
- **Generate comprehensive reports:** Access actionable insights with detailed compliance reporting and analytics
- **Maintain audit readiness:** Keep thorough documentation of all compliance activities for easy access and review

Corporater has a Distribution Agreement for ISO Standards and as such can digitally distribute enhanced access to ISO content.
